

Scale of Engagement in Interaction

Quality of Attention/Interest

Date: Student: Activity — Group/Individual: Rater:	<u>RATING SCALE</u>				
	1 = None observed 2 = Fleeting 3 = Short, but present 4 = Definitely present for longer periods 5 = Definitely present for most of the time				
	1	2	3	4	5
1. Attention to others (looking at or quieting of behavior)					
2. Interest in others/curious to get to know others					
3. Appropriate responses in context, e.g....					
• short yes/no					
• open-ended questions					
• spontaneous contributions					
4. Awareness of others' need to understand him/her: trying to repeat, correct, or clarify their utterances					
5. Child's understanding of others across utterances/longer utterances					
6. Awareness of own feelings					
7. Awareness of others' emotions					
8. Awareness of others as a separate person (different perspective)					
Overall Rating of Engagement:
